About Titan QMS

Log on / Home Page

Branding

- Personalise the system with your company logo

Calibration

- Link to Calibration information

The screenshot shows the Titan QMS Home page. The sidebar on the left contains the following sections:

- mark1** logo and 'Mark 1 Demo' text.
- Audits** section with a 'Show All' link and 'New Audit Reports' text.
- Complaints** section with a 'Show All' link and 'New Complaint Reports' text.
- Assets** section with a 'Show All' link and 'New Asset Reports' text.
- Training** section with links for 'Show All Employees', 'Job Descriptions', 'New Job Descriptions', 'Training Matrix', and 'Reports'.
- Documents** section with a 'Show All Documents' link and 'Reports' text.
- Sign Out** link.
- Version information: 'P2 v 1.01'.

The main content area is divided into two sections:

- You have 5 open actions:** A list of five actions with details such as 'Action: 60 Due by: 12/09/2008. Show Details' and descriptions like 'supply customer with replacement cake'.
- You have 2 open complaints:** A list of two complaints with details such as 'Complaint: 6 Due by: 05/02/2008. Show Details' and descriptions like 'Customer stated that we duplicated an order'.

Callout boxes from the text on the left point to the 'mark1' logo and the 'Assets' section in the sidebar. Callout boxes from the text on the right point to the 'You have 5 open actions' and 'You have 2 open complaints' sections.

List of Actions

- Can be created within Audits, Complaints & Reviews
- Specific to the individual user within your company

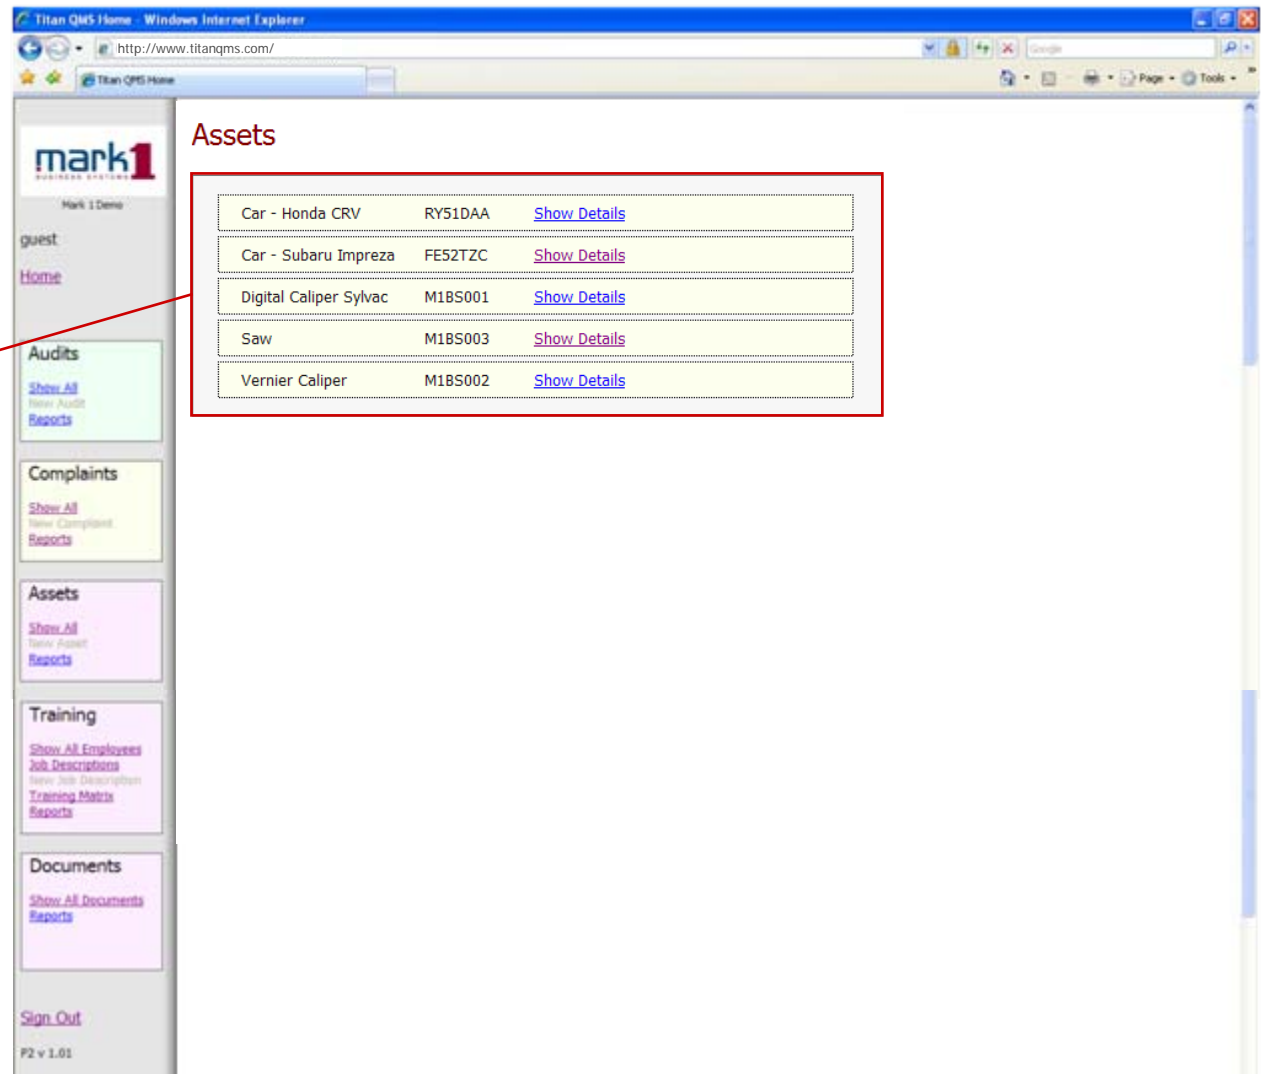

List of Complaints

- Specific to the individual user within your company

Calibration

Calibration List

- The system will display a list of any company Asset which may require a reminder.

The screenshot shows the Titan QMS Home page in a Windows Internet Explorer browser. The page title is "Titan QMS Home" and the URL is "http://www.titanqms.com/". The page features a sidebar on the left with the "mark1" logo and navigation links for "Audits", "Complaints", "Assets", "Training", and "Documents". The main content area is titled "Assets" and displays a table of assets. A red box highlights the "Assets" table, and a red line connects it to the "Calibration List" text box on the left.

| Asset Name | Asset ID | Action |
|------------------------|----------|------------------------------|
| Car - Honda CRV | RY51DAA | Show Details |
| Car - Subaru Impreza | FE52TZC | Show Details |
| Digital Caliper Sylvac | M1BS001 | Show Details |
| Saw | M1BS003 | Show Details |
| Vernier Caliper | M1BS002 | Show Details |

Individual Calibration

Header

Requirements

- Related task which may require a reminder
- Unlimited number of tasks can be created

The screenshot displays the 'Asset' management page in the Titan QMS system. The interface includes a sidebar with navigation options like 'Audits', 'Complaints', 'Assets', 'Training', and 'Documents'. The main content area shows details for an asset named 'Saw'. Fields include 'Name', 'In Use', 'Person Responsible', 'Location', 'Location Description', 'Serial Number', 'Company ID', and 'Asset Type'. A 'Comments' section contains a text entry about servicing and calibration. At the bottom, there are two task categories: 'Calibration' and 'Service', each with a dropdown arrow.

| | |
|-----------------------|--------------------|
| Name: | Saw |
| In Use: | Yes |
| Person Responsible: | markn |
| Location: | Shop Floor |
| Location Description: | |
| Serial Number: | 3333 |
| Company ID: | M1BS003 |
| Asset Type: | Shop Floor Machine |

Comments:
This saw requires servicing, and also the calibration of the gauge to ensure cutting is accurate and the saw is running effectively

Calibration Requirements

History

- Individual records for each requirement
- Full history available
- Reminder of next due date

The screenshot shows the Titan QMS web application interface. The browser title is "Titan QMS Home - Windows Internet Explorer" and the address bar shows "http://www.titanqms.com/". The page features a sidebar on the left with navigation links for "Audits", "Complaints", "Assets", "Training", and "Documents". The main content area displays a "Comments" section with the text: "This saw requires servicing, and also the calibration of the gauge to ensure cutting is accurate and the saw is running effectively". Below the comments, there are two sections: "Calibration" and "Service". The "Calibration" section lists the following details: Start Date: 01/01/2006, Previous Date: 01/01/2008, Frequency: Yearly, and Next Due: 01/01/2009. It includes three history entries: "01/01/2008 Calibration", "01/01/2007 Calibration", and "01/01/2006 Calibration". The "Service" section lists: Start Date: 01/01/2006, Previous Date: 30/06/2008, Frequency: 6 Months, and Next Due: 30/12/2008. It includes three history entries: "30/06/2008 Service", "25/03/2008 Breakdown", and "01/01/2008 Service". A red box highlights the "Calibration" and "Service" sections, and a red arrow points from the "History" section of the sidebar to this box.

Calibration History

History

- Header – What is the purpose of the task
- Comments – What was carried out
- Certificate Number – traceability
- Contractor

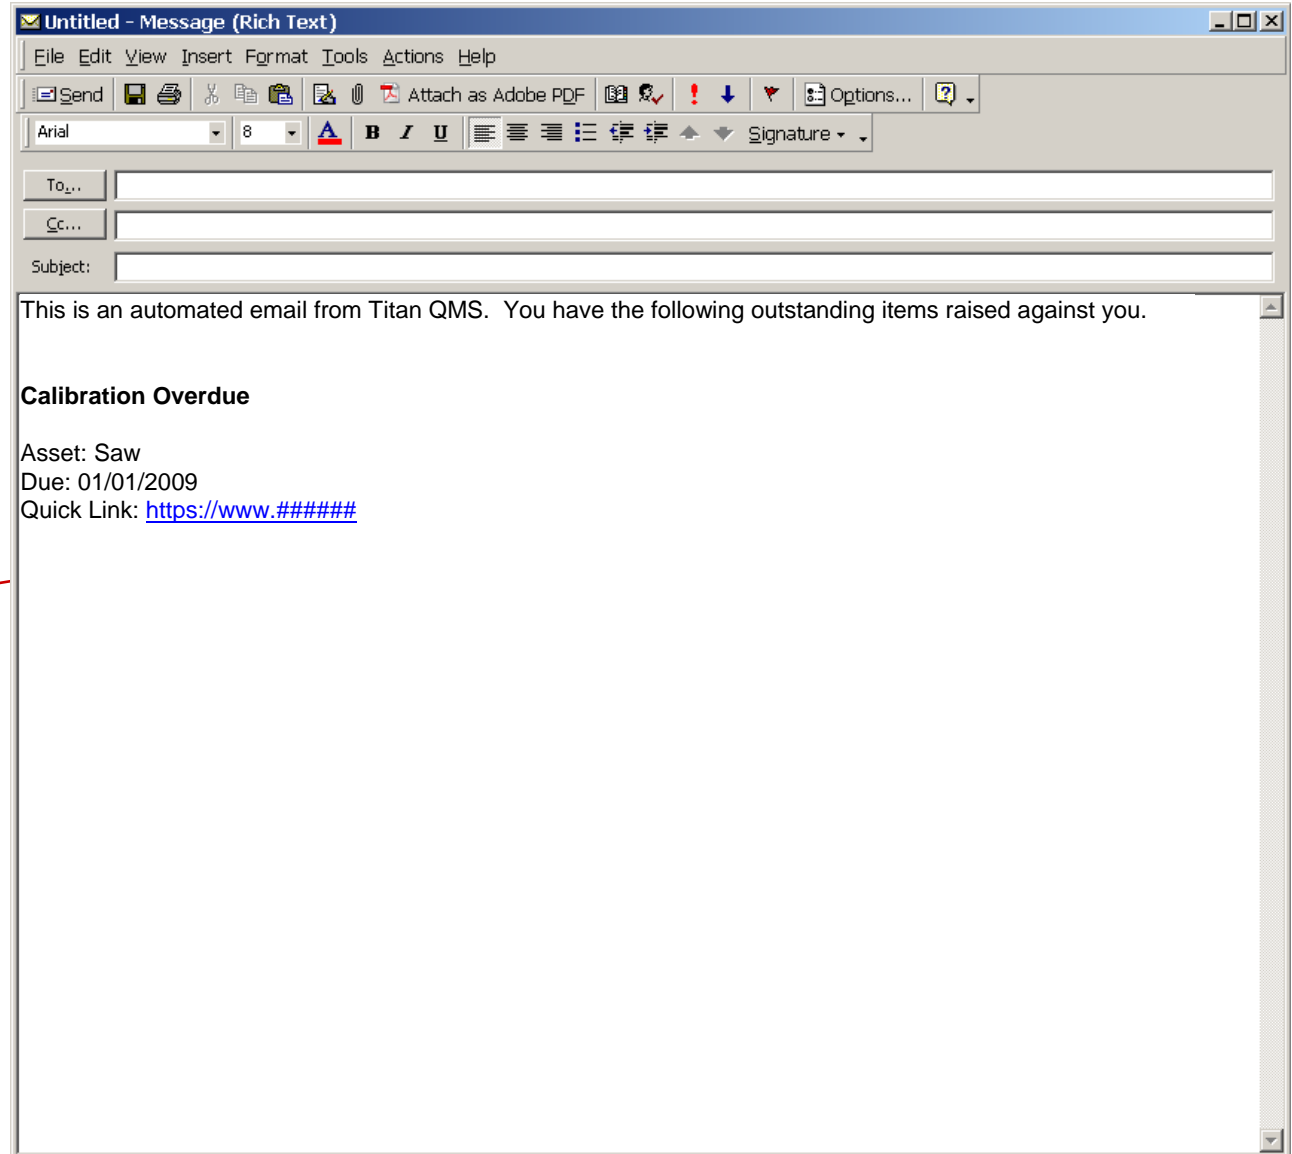

The screenshot shows the Titan QMS Home page in Internet Explorer. The main content area displays a 'Calibration' history table. The table has a header section and a list of entries. A red box highlights the table content, and a red arrow points from the 'History' section header to the table.
